THE YEAR-END SYSTEM CHECK

10 things to do before December 31 so your 2027 plan doesn't stall by February. Check them off as you go.

01 SCAN

- [ ] **Score your 2026 goals:** hit, missed or stalled.
- [ ] **List every task only you can do** right now.

02 DEBUG

- [ ] **Name your top 3 bottlenecks.** Where does work wait?
- [ ] **Find the decisions waiting on one person** and decide who else can make them.

03 UPDATE

- [ ] **Cut one thing that isn't working** before January 1.
- [ ] **Write down the 3 processes your team repeats most,** step by step.

04 EXECUTE

- [ ] **Pick 3 priorities for Q1 2027.** Not 10.
- [ ] **Give each priority one owner and one deadline.**

05 MULTIPLY

- [ ] **Choose one task to delegate or automate.**
- [ ] **Put a weekly 30-minute execution check-in** on the calendar.
